TransPharm - Irish Hills STEM Scholarship

Eligible recipients:

One scholarship per school will be awarded to a high school senior graduating from Napoleon, Columbia, Onsted and Addison High Schools.

Additional criteria:

- Must be accepted into a college within Michigan and provide letter of acceptance
- Provide three letters of recommendation (LOR), one personal and two academic
- Achieved a 3.0 or higher GPA in the senior year
- Excel in the STEM core areas and provide documentation (can be captured in the LOR by a STEM teacher)
- Write a 500 – 1,000-word essay demonstrating the desire to pursue a career in the STEM core areas and the intent to further their education in the STEM core areas. Please include your intended major
- Show documentation of volunteerism within the community

Winners will be selected and notified by May 11th, 2018. They must permit the use of their information and may be requested for a photo to be taken at TransPharm Laboratories and used by TransPharm media outlets. Acceptance of this award predicates this use. Scholarship is awarded in two \$500.00 payments totaling \$1,000.00. The initial award is given after registration is complete and the second is awarded upon completion and documentation of the first term in college.

Each applicant must provide the information above in good order. If any of the criteria is not included with this application, the candidate will automatically be disqualified and the application will be returned stating the reasons why.

This application must be delivered by mail or in person to TransPharm Preclinical Solutions by **May 4th, 2018**.
